Montgomery County Government is committed to complying with the Americans with Disabilities Act (ADA). As a result, children and teens with disabilities may register for the most appropriate programs for their age, needs, and skill level. There are two options: Therapeutic Recreation camps specifically designed for individuals with disabilities or inclusion in general recreation programs.

If your child needs auxiliary aids or services in order to participate (such as a companion, ASL or cued speech interpreter, or large print), please call a Therapeutic Recreation Specialist to discuss your child's needs (240-777-6870) or email rec.mainstream@montgomerycountymd.gov.

Summer Leadership Challenge (SLC)

Summer Leadership Challenge (SLC) Summer Leadership Challenge is a service learning program for teens who enjoy helping children learn and have fun in a safe environment. The program offers fun, interactive workshops, games and activities designed to prepare teens to volunteer and/or work in a camp environment. Workshops may include child development, safety, conflict resolution, body language, planning and leading games, and therapeutic recreation awareness. Participants will have opportunities to plan activities and practice their new skills with campers in an MCR camp or Summer Fun Center. Summer Leadership Challenge staff will provide instruction, support, supervision and feedback to help participants have a positive experience. No prior experience or training is necessary. This service learning opportunity replaces the CIT program for new volunteers. (Returning CITs are eligible to register for the Junior Counselor Program!) Up to 20 teens can register per session. Participants may earn up to 35 SSL hours per session. No transportation is available.

JUNIOR SUMMER CAMPS

Half day Camp: \$149

Half day camps are designed for students that aren't quite capable of playing a full round and carrying their bag or are brand new to golf. The half day camp gives juniors the opportunity to practice on putting, chipping, irons, and woods with a member of the MCG Academy. This class will be in a practice setting for Monday-Thursday with an on the course portion on Friday. The perfect class to develop the skills needed to start playing with family. Clubs are provided as needed at all locations. This class is a blast for juniors and will send them home wanting more and more golf. Be Careful!

Full day camp: \$249-\$349

Full Day Camps are designed for the young golfer in everyone's family. It's the ideal summer camps for juniors that want to get out on the course. This program spends time playing golf every afternoon and working to improve their skills every morning. We provide lunch to each participant. Juniors need to be able to carry their bags for a minimum of 9 holes on their own. An awesome class that gets the kids outdoors, gets them some exercise, and gets them playing a whole lot of golf. Students are required to have their own equipment. Additionally, juniors must have experience carrying their own clubs for 9 holes for any of the full day camps.

Golf

Beginner/Intermediate Golf Camp

This half-day camp is just the ticket for kids 6-13 years old who have expressed interest in and/or shown a talent for golf, but aren't quite ready to play a full round. With the help of a Montgomery County Golf Academy instructor, campers will practice putting, chipping, driving and using irons and woods Monday-Thursday at the Driving Range. On Friday, they'll compete in small tournament at a nearby golf course. It'll be a blast for juniors, and a great way to develop the skills needed to start playing golf with the family.

Survival Skills Camp: Following Ancient Pathways

Many of us would be scared to live in the woods without our cell phone or electricity. But for thousands of years, our ancestors not only survived but thrived in the natural world—without any of our modern gadgets and conveniences. Could you do the same? Join us for a week and learn how to make natural shelters, find and prepare water and food, and create fire without matches! Learn how our ancestors used the materials and tools of nature, and how nature can supply what you need to survive in today's crazy, fast-paced world. Registration & Refund Info

STEP 1: SET UP YOUR ParkPASS ACCOUNT

- Visit www.ParkPASS.org to set up your account online. Already have a ParkPASS account? Go right to Step 2. *Please note: New accounts are created Monday-Friday between 10am and 2pm. If you sign up online outside these hours, we'll create your new account and send your confirmation the next business day between 10am and 2pm.*
- Need help? Contact the ParkPASS Help Desk at 301-495-2580 (M-F, 10am-2pm), or email us at MCP-ParkPASSHelp@MontgomeryParks.org.
- You may also create a ParkPASS account in person at a Montgomery Parks facility. See the "Camps by Location" index and look for **"PP"** ParkPASS facilities that are equipped to help you.

STEP 2: REGISTER FOR YOUR CAMP/S

- **Online:** Register 24 hours a day, seven days a week at www.ParkPASS.org
- **In person:** Visit a ParkPASS facility (look for **"PP"** next to a facility's name in the "Camps by Location" index), and a Parks employee will help you register on site.
- **By mail:** Fill out the registration form in this Guide and mail it with payment to the facility hosting the camp you'd like to attend. ****Important:** Submitting this form does not guarantee a space in the requested camp or program. Please call the ParkPASS Help Desk or the facility offering the camp to make sure there are openings in the camp you want before mailing in your form. Many camps fill up very quickly—so online registration is your best bet.*

STEP 3: FILL OUT AND SUBMIT THE REQUIRED FORMS

- **Day Camp Participant Profile **NOW ONLINE!****
In the middle of your online registration process, a screen will pop up asking for information that will automatically fill out this form for you. Answer the questions, then click "OK," and either "continue shopping" or "check out." You'll sign this form later—the camp director will either mail it to you before camp to sign and bring with you, or have it ready for you to sign the first day of camp. *Once you've filled out the Day Camp Participant Profile form online, the information will be saved for two years, so you won't need to fill out this whole form again. As you register, a screen with the information entered previously will pop up, and you can update/correct, or just click "OK."* NOTE: If you don't register online, you'll need to print out this form from ParkPASS.org and complete it by hand.
- **Day Camp Medication Form.** Find this form at ParkPASS.org and print it out. If your child requires medication during camp, fill out and sign the form, and have your child's doctor's sign it as well. If your child does *not* need medication during camp, please sign the form signifying that you have read it. The camp director will contact you and ask you to mail the signed form in before camp starts, or bring it with you the first day of camp.
- **Special Waiver Forms.** Some camps require special activity waivers. The camp director will contact you before camp begins if one or more of these forms is required.
- These three forms can be found at www.ParkPASS.org. All necessary forms must be properly filled out, signed and submitted before your child can participate in a Montgomery Parks Summer Camp.

Montgomery Parks SUMMER CAMP Refund Policy

If Montgomery Parks has to cancel a Summer Camp, you will be notified and receive a full credit on your ParkPASS account, or at your request, a full refund (issued in the same form as received).

To withdraw from a Montgomery Parks Summer Camp, please submit a written request to the facility hosting your camp or program at least two (2) weeks prior to the start of the camp. Most facilities accept email as a "written request," but please check with the facility hosting your camp or program. You may choose to receive a 100% credit to your ParkPASS account to use for future programs or classes, or receive a refund (issued in the same form as received) less a 20% administrative fee.

If your written request is received less than two (2) weeks prior to the start of the camp, no credit or refund will be issued *unless your spot can be filled from the waitlist*. If your spot is filled, you may choose to receive a 100% credit to your ParkPASS account to use for future programs or classes, or receive a refund (issued in the same form as received) less a 20% administrative fee.

Please allow 3-4 weeks to receive a check refund. Credit card refunds can take 5-7 days to appear on your credit card account, depending on the policies of your bank/credit card company.
